

CHATHAM MIDDLE SCHOOL

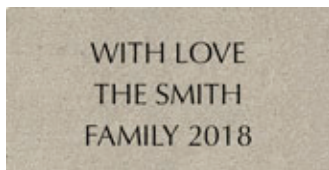

The Chatham Middle School Reading Garden will give students and faculty an accessible outdoor space to read, gather and think. Located off the Library Media Center, this interior courtyard gets lots of sun and provides additional space to our amazing Library, one of the most utilized general spaces at CMS.

Your engraved brick will not only reflect the sentiment for who you will dedicate it to, it represents your special years spent at CMS. We thank you for your support in creating a special space that our students and faculty will enjoy for years to come.
