

## BRIGHTER HORIZONS CHILD CARE CENTER

"HELP BUILD A PATHWAY TO THE NEW BRIGHTER HORIZONS" BRICK CAMPAIGN

Hello everyone! It's time to start selling some BRICKS for our school fundraiser so that we can fill our fabulous new center with lots of wonderful new things for the children to enjoy. Finally getting our sweet kiddos into a bigger space means we will have LOTS of empty space that we will need to buy things for. I guess that's a good problem to have though, right?

We are selling beautifully engraved bricks for a brick walkway that we will have at the new Brighter Horizons, and if you buy one you'll be helping us raise MUCH NEEDED funds to help us out while at the same time having a chance to memorialize or dedicate a brick to someone that has attended our little school over the past 32 years. We are really excited about the opportunity to raise this money but just as thrilled with the idea of seeing some of our cherished children's names on these bricks as a daily reminder of those we have had a chance to LOVE over the years!

These engraved brick pavers are also available to anyone and any business or organization that would like to be a part of this special project. Brick Markers of South Florida is the company that is helping us with this project and we know that they will provide us with brick pavers that will stay looking great for many, many years to come.

You can download an order form as well as the clip art available for these brick pavers. If you have trouble accessing it we can also email you the information. You may return the completed form by PM, email, or mail. And you may send a check made out to Brighter Horizons or pay through PayPal via melanieloveskids@att.net.

Let us know if you need help with your order. And THANKS EVERYONE for you support!
