

GREAT MILLS HIGH SCHOOL

Hornet Strong Brick Project

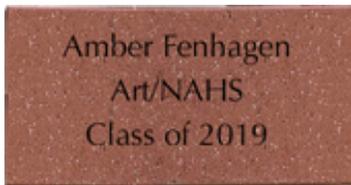

Show the love of school and community by becoming part of Great Mills High School's history.

In response to the tragic events of March 20, 2018 Great Mills High School is pleased to announce a personalized brick project that will highlight the communities enduring support. The project is open to Alumni, Parents, Students, Staff, and Community Members. This is an opportunity to leave a lasting legacy.

Participation in the personalized brick project will provide funds needed to beautify the front round-about with bricks and a sculpture that represent the Great Mills High School connection and unification with our community. Additionally, a brick pathway and garden area will be established by the Auditorium exterior. Your donation is also tax deductible.
