

Help Greenhouse Ministries build an exciting future! This beautiful brick project will help fund the expansion of the campus to include new construction at 315 South Academy Street.

Engravable bricks serve as visible reminders of your support, and they are a thoughtful way to:

- Honor and remember family members and friends
- Recognize your church
- Highlight your favorite scriptures
- Recognize your business or organization

Create your personalized message to leave a legacy of remembrance. Your brick will be placed near the entrance of the new building to welcome all who visit. Thank you for your support!
