

SKYLINE

UNITED METHODIST CHURCH

Skyline United Methodist Church has renewed our commitment to build a beautiful memorial walk and patio! The committee has selected an area on our property close to Skyline Dr, so that this can serve both our church and community as a peaceful place to honor and remember loved ones. The proposed patio will become a wonderful community amenity!

Buy-A-Brick: Skyline invites you to be part of a very special commemorative opportunity.

Personalized, engraved bricks are a great way to honor a special person, family member or group; to commemorate a special occasion, to feature your business or organization, or to be used in memoriam. Your individualized brick will be engraved with your selected name, phrase or scripture and will become a lasting tribute. When you Buy-A-Brick you leave your "mark" on Skyline in a unique way by having an engraved brick. You can select a logo from the clipart library at no additional cost, or custom logo for an additional cost. Major donations will be recognized separately in a special designated area along with an engrave brick also.

***Inappropriate/discriminatory language will not be engraved on your brick.**

Brick Markers® USA, Inc. (BMI) offers this free clipart to your club or organization as an opportunity to increase your profit margins. Your club or organization could charge an additional fee to any of your donors/customers that would like to add clipart to their bricks.

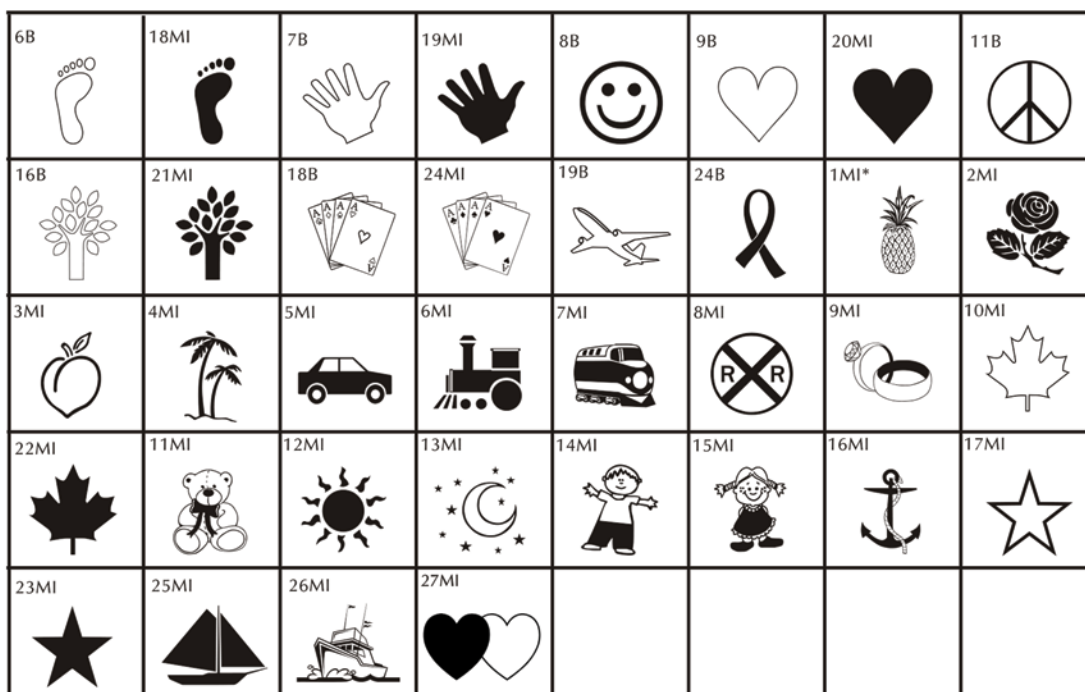

Important Note: Your brick area should have a clean and consistent appearance and should not be filled with too many free clipart images. We suggest that you limit the amount of free clipart images you offer to your donors/customers. For the possible free clipart image layouts, please see the attachment. We highly recommend one layout per size brick (4x8 & 8x8).

BMI Disclaimer: We will always do our best to provide a high quality engraved image. However, with any engraving process, we may lose some of the intricate details of a logo/graphic from the process of engraving. Such lost details should not be considered a defect but simply the result of engraving the image.
