

The Community Foundation of Southern New Mexico has been a philanthropic force in the region for 31 years. Our new building will provide us with a forever home to continue our mission based operations, as well as a space for other nonprofit organizations to continue their impact. As our organization continues to grow, this investment ensures a valuable asset that will eliminate many expenses from the Foundation's operations, and allows the capacity for expansion. All of this assuring the sustainability of the CFSNM.

Be a part of creating a long term legacy of giving through our Brick and Paver Program. Your donation of \$500 will give you, your family or business an opportunity to purchase an 8x8 paver while a donation of \$200 will give you an opportunity to purchase an 4x8 brick. These monuments will adorn both front entries to our permanent home.
