

Racquet Club of St Petersburg

Back by popular demand! We will continue our brick project that has been so well received by our members and their guests! As part of our continued efforts to improve our member owned club along with our commitment to enhance our grounds, we will start taking orders for more custom engraved bricks. We have plenty of room at the current location to replace blank bricks with engraved bricks. Everyone now has the opportunity to purchase a beautifully engraved brick as a donation to the club and leave your name forever planted in the grounds at our club! If you are new to our club and haven't had the opportunity to purchase a brick or if you have previously purchased a brick you may want to order another with something else engraved on it. Each brick will be 4 x 8 and has room for 3 lines of 20 characters each as well as a choice of some clip art. Please consider purchasing a brick with your name on and or perhaps one for a loved one, in memory of or in honor of etc.

Each brick is \$100 and will be installed by our wonderful volunteers at our club. We are also offering a custom 4 x 8 or 8 x 8 brick with your company logo on (ask us about pricing for this). Also available is a large engraved 8 x 8 brick for \$200. We will submit the order when we reach our goal of at least 50 bricks. It will take about 6 weeks to received the engraved bricks once we turn in the order.

We have made great strides this past year to improve our courts and grounds at our club and this project will not only enhance the grounds but raise money for further improvements.
