

Newport County YMCA

Since 1878, the Newport County YMCA has served generations of families, providing access to the resources they need to be healthy, confident, connected and secure.

With the launch of the Community Phase of our Collaborate•Create•Inspire Capital Campaign to renovate and expand the

Newport County YMCA, we invite you to show your support of your local Y by purchasing a custom brick or paver. These commemorative bricks and pavers will create a unique walkway once the new Y facility is complete.

Your purchase of a brick or paver will not only show your support but also help transform your Y to ensure we are serving today's generation with an eye to the next. Thank you for your generosity!

Final product color and/or material may vary slightly to best coordinate with final facility design
