

ST. JOHNS COUNTRY DAY SCHOOL

St. Johns Country Day School is renovating the main deck and Roddey R. Fisher quad. The deck and surrounding areas are used by every Spartan, every day. The space is not only the epicenter of our campus but also is an important extension of the classroom, where our students practice teamwork, creativity, communication skills, and more.

Along with a newly renovated deck and quad area, a new brick walkway will connect the Lower School with the Middle and Upper Schools. This area is an integral part of the St. Johns Experience, and now you have the opportunity to leave a lasting legacy at the heart of our beloved campus.

Orders received between December 2021 and May 2022 will be processed, but pavers will be laid during Summer 2022.
