

St. Charles Borromeo Catholic School

St. Charles Borromeo Catholic School is so close to realizing the dream of building a gymnasium for our students. But we need your help!

In celebration of this historic milestone, we are offering our St. Charles Parishioners a chance to leave their permanent mark with the purchase of a Legacy Brick. Legacy Bricks will memorialize our parishioners across generations with a custom engraving and optional image and will serve as a pathway to the main entrance of our new gymnasium.

Across generations, we are united as a spiritual family here at St. Charles Borromeo, and we want all of our parishioners who have made this gym possible to be forever remembered as the students of the future walk upon the bricks of your generosity. Please help us to build this gymnasium.
