

OUR SHEPHERD

LUTHERAN CHURCH AND SCHOOL

SHARE LIFE WITH OUR SHEPHERD

PRAYER GARDEN

The last phase of the outdoor STEM trail is the prayer garden. The initial funding and plan started with the 2018 All Saints Fest fundraising effort and OSLS' desire to include religion with science and technology. This plan has grown in scope with approval and influence

from the Church Governance Board and is intended to be a space of serenity for prayer and reflection for the whole congregation. Please consider honoring your loved ones with memorials and recognition of special milestones-baptisms, confirmation, marriage, new memberships, and memorials. All brick designs should include a hymn or Bible verse reference.

All payments should be mailed to Our Shepherd Lutheran with Prayer Garden listed on the memo line of the check.
