

As we celebrate our 100th anniversary of creating a legacy of love and learning in our community, we will create a lasting commemoration of the many friends of ODN in our unique and exclusive Outdoor Learning Environment. We invite you to join us in this special recognition with personalized brick as part of our "Legacy Path" to be installed beginning in the Fall and maintained throughout our organization's longevity. You will receive a photograph of your brick(s) and dedicatory letter for each. All proceeds will benefit our scholarship and family enrichment programs. If you'd like to honor or memorialize a person or organization, please complete the information below. When you submit your payment, you will receive a link to select and personalize your brick(s) along with a confirmation email for your payment. Thank you for your consideration!
