

Reagan High School

Outdoor Classroom Legacy Brick Campaign

The Reagan High School Senior Class is sponsoring the construction of an outdoor classroom to provide future Raiders with an outdoor space for learning and engagement. The money raised will help purchase the classroom's shaded structure. Be part of a lasting legacy by purchasing a personalized engraved brick honoring your Raiders of the present, future and past!

Bricks are engraved using state of the art laser technology that ensures legibility for the lifetime of the brick. Personalized bricks can be designed and purchased below. Orders will be accepted throughout the year, and we hope to have a completed outdoor classroom in late 2022.
