

COPPER VALLEY TENNIS AND SOCIAL CLUB

BUILD A BRICK FUNDRAISER CAMPAIGN

Pickleball is the fastest growing sport in America and Copper Valley is in on the action! CVC is excited to announce that we are adding four pickleball courts and a pickleball membership for the 2022 season. To offset the cost of this project, we're introducing the Buy-a-Brick Program as we build a brick walkway to enhance our grounds.

We want to include the entire CVC community in this project by offering everyone the opportunity to leave their mark on CVC history by buying a personalized brick for our walkway. Engraved bricks are a meaningful way to honor a special person or family member, feature your business or organization, or use in memoriam. Your brick will be engraved with the words you choose and will become a lasting tribute as part of our walkway. Help us to bring pickleball to CVC!
